- WestCal® Student Tracking

"I applaud WestCal Academy® for their effort to place local students into internships. They serve as a vital link helping students enter and succeed in our local economy."

– **The Honorable Robert Garcia**
Mayor, Long Beach, California

"We've had an excellent experience working with WestCal Academy®. Facilitating the intern experience is an important service that will boost the success of our students and our region."

– **President Jane Close Conoley, Ph.D.**
California State University, Long Beach

"WestCal Academy® creates opportunities to expand academic entrepreneurial solutions not just in the City of Torrance, but throughout the state of California, and the entire nation."

– **The Honorable Patrick J. Furey**
Mayor, Torrance, California
